THE WMA IS an Association of various musical organizations, choirs and individuals who believe that music has a bearing on social life and that it can be one of the means of attaining a brighter and better society.

THE WMA ENCOURAGES people to develop musical awareness from their own aspirations and strivings, rather than passively and uncritically to accept standards set by commercial and other interests.

THE WMA THEREFORE promotes music to further the aims of peace, internationalism and social justice.

SOME WMA ACTIVITIES

- a Summer School of Music in Yorkshire each August
- WMA Singers rehearse weekly, in Central London
- direct contact with national and local trade union organisations and affiliates with choirs from all parts of UK.
- a Composers' Group presents a programme of new music every year.
- A BULLETIN which keeps members informed of current news, views and activities, and carries articles of interest.
