

## **Psalm 8 – God you are fantastic – God you are the best!**

There is one slide for each of these statements. The aim is to encourage people to join in with the “God you are fantastic, God you are the best”

Give everyone who wants one an instrument that can be banged, shaken, or that can make a lot of noise, and when they repeat, “God you are fantastic, God you are the best” encourage them to make as much noise as possible!
