

Nothing is too hard for God

God answers our prayers today

Nothing is too hard for God.

So with thanks and joy we say,

Nothing is too hard for God.

God's power is so great. God's love is so deep

Nothing is too hard for God.

Every promise God will keep

Nothing is too hard for God.

God wants the best for you and me

Nothing is too hard for God.

You can trust God totally

Nothing is too hard for God.

No one takes God's power away

Nothing is too hard for God.

Don't forget! At night or day

Nothing is too hard for God.
